Matters Arising from those minutes:

Netball bibs: Missing Bibs, Ayla & Renee assisted Janeen and they decided to leave it till 2019 pre-season to purchase more bibs. Specific colours and bibs needed for different year groups.

Quiz: \$17,000

We now have Approx. \$22,000 for the 7,8,9 redevelopment. Quotes still coming in.

The Board is hoping to get onto this over the holidays.

Community garden idea – teachers donate plants, community donate plants..No chance for this year – be good to revisit this idea in the new year.

Drainage is there – paving is the biggest cost. Then shade sail, planting etc.

We are good to go on this project. No grants in place for it yet, but we want to look into that. First lot of grant app's start march? Need to get this in with Mary's assistance.

What else is needed around the school?

Bleachers – a donation towards the reno of them?

More new chairs in the hall?

Decided we will start the new year with these items on the wish list.

Shade sail and seat for swimming area, paint the change rooms. Sandy paint on floor. Could be quoted and included with grants for the room 7,8,9 area?

General Knowledge-a-thon raised \$5381.75 incredible amount!
