COOL XCHANGE

Probably would not do this fundraiser again, 20 orders total. \$160 dollars profit.

Bake Sale end of term organising

Jane has sent out notices for end of term bake sale.

12 helpers organised for the bake sale.

Jane coordinating.

Need to organise a couple of tables.

Pool Grant discussion

Approximate cost to resurface the pool \$13000.00

The Board of Trustee would like a contribution from the PTA.

PTA needs to decide how much can be put towards this project.

Mary is working on getting a grant.

PTA Fundraiser events which could be put towards this project:

- Disco profits
- Cheesy Tuesday
- Oxford pies
- Math-A-Thon
- Monster Garage Sale
- PTA Parking Tender

Following our discussions we are looking at contributing \$6000.

A firm commitment from the BOT needs to be made before any decisions can go ahead.

Pool Project Scope:

- Resurfacing the Pool
- Installing Ladders
- Astro turf around the pool
- Upgrading Changing rooms
- Pool cover

Decisions around scale of project need to be discussed further. Do we press for a long term large project or down scale to resurfacing of the pool and purchasing of a pool cover?

What is critical for having the pool up and running for summer use?

Dates for up and coming fundraisers

- Cheesy Tuesday - from 1st of August - Gina and Kaelee
- Math-A-Thon - week 7-9 - Rachel Tangley is leading this
- Disco - 21st September - Lianne will send out an email re date and entry fee

- Monster Garage Sale - 18th November - Courtenay and Kaele
Need to organise a container for two weeks. This will provide storage for donated items.

- Rubbish Whisperer Bags – term 3 – Renee
These reusable produce bags are sold for \$22.40 with a 40% return profit to our school. Great alternative to plastic bags used in the supermarket.
