Woodstock Football 2017

Dear Parents/Caregivers,

Please read if your child is interested in playing Football (Soccer) for Woodstock School this year. Please ensure you discuss with your child that Football is a commitment that involves weekly practices and a game every Saturday, BEFORE completing the Google Form (Link below).

Season Calendar:

The Football season begins on Saturday 6th May and finishes in early September.

Coaches and Managers:

With all sports at Woodstock school we rely heavily on volunteers for the roles of coach and manager. **Unfortunately if we have no volunteers for coach and manager, we are unable to have a team. Please indicate on the Google Form whether you would be available to assist us in this area.**

Practice times:

Practice times will be set by coaches and managers. Practices may be after school or during school lunch times.

Grading:

The grade your child plays at is set as the age your child turns this year e.g. 5 years old = Grade 5. The Football Federation does not allow for children to play down a grade.

Indication of Fees:

Fees are dependent on the grade being played.

~Grades 5, 6 and 7: Approx \$20.00

~Grades 8, 9, 10 and 11: Approx \$45.00

This cost includes Football Federation affiliation fees and school uniform hireage.

Please do not pay fees until you are invoiced from the school office and your child's team has been finalised.

Team Uniforms: The Woodstock School Football uniform consists of black shorts, red socks and soccer boots (In the past, socks have been available to buy from the office – **this is no longer an option.** Socks will need to be purchased elsewhere, for example the Canterbury Shop or NZ Uniforms). Woodstock shirts will be provided.

Entry Forms:

For 2017 the entry forms can be completed online, using a Google Form. Follow this link to access it: <https://goo.gl/forms/Wtfe48s2tUalFJ0A3>

Kind regards,
Rachael Tangney and Thomas McVie (Football Coordinators 2017)
