

Woodstock School PTA Term three

August
2016

Information to mid-year

Hello everyone

WAHOO!

On the completion of the Queenstown raffle ticket fundraiser we can gladly say that we have cracked the target for this years fundraising contribution for the Playground development.

Once again we had some stand out sellers who got behind this fundraiser and made significant contributions. Room 10 and Room 14 were the two top selling classrooms.

We have some grant applications to complete which, with luck, will also contribute to the total cost of the playground. There is a

real chance that we will see some playground construction before the end of the year! I am sure our Year 6 children would be keen to have the opportunity to experience the new playground before they leave for intermediate.

Our Disco night saw many happy children dancing, eating and taking photos to remember the fun times that they had.

Our Teachers and children in Year 4 are beginning production practice as will the Year 5 & 6 classes perform their production this term. If you are able to come and see your child perform, I am sure it will be a very proud moment worth experiencing.

The Entertainment books are almost closed now. You can purchase the hard copy book form or purchase via the following link: www.entbook.co.nz/1549u09. The app then goes onto your phone for easy access.

We have Woodstock Umbrella's for sale in the Office. They are an improved model and are \$40.00.

Finally we have Cheesy Tuesday Pizzas for the next few weeks. This is a chance for Parents to have a break from school lunch ideas!

Current PTA Portfolio holders are Renee Beere Chair, Belinda Blackmore Treasurer, and Kaelee Hooper Secretary.

We have several long standing members who are moving out of the school at the end of the year, so it would be good to get some replacements that can learn the ropes now. With two major projects over the last two years we have worked hard with our fundraising efforts. These assets are great additions to our school environment and learning
