Principal Report- Aimee & Susi

Discussion was held regarding the raised crossing on Anson, mostly under the councils control as far as what is happening.

School Hall has been assessed by an engineer and won't be completed until the end of the year at this stage as it needs reinforcement that needs council sign off and this takes a long time.

Treasurer Report- Courtenay & Michelle

Huge thank you to Mary Lamberton for sorting a grant from Grassroots for \$22,500 for a basketball court. This will be actioned and finished by the start of next year. This is a long process due to curing of concrete before turf is laid.

Huge thank you to Courtenay for organising the Luxury Raffle this year we raised about \$13,900. Courtenay has added some suggestions for next time into our Dropbox folder.

We still need quite a few helpers for the bake sale on Friday. If you are able to help please let us know ASAP. The morning should be covered now but the afternoon isn't yet.
