Dear Parents/Caregivers

Woodstock School is collecting 'Yummy' Apple stickers so that our school has the opportunity to win some sports equipment.

If you purchase the 'Yummy' apples, please collect the 'Yummy' stickers from the apples, and the 'cut out panels' from the 'Yummy' apple bags. You can purchase these apples from New World, Pak N'Save and participating stores.

Place stickers on the form on the reverse of this letter. More forms are available at the office or can be printed off from

[http://www.yummyfruit.co.nz/pdf/Sticker\\_Collection\\_Sheet.pdf](http://www.yummyfruit.co.nz/pdf/Sticker_Collection_Sheet.pdf)

Forms for the 'cut out panels' are also available.

Please return all stickers and 'cut out panels' in September.

Thanks to all those who have helped make this a success in previous years enabling the school to obtain much needed sports equipment to stock the PE Shed.

'Yummy' stickers and panels can continue to be collected after this competition is finished for the following years competition.

Thanks for your help.

# Cut-Out Label Collection Sheet

**2**  
Place your cut-out labels from Yummy apple bags on these panels. One cut-out label is worth 10 apple stickers.  
  
An apple tree takes the energy from about fifty leaves to produce one apple.

**3**  
Ask friends, family, relatives and neighbours to help with your campaign.  
  
Most apples are still picked by hand!

**4**  
Some apple trees are known to live for more than one hundred years.

**5**  
Did you know that apples are members of the rose family?

**6**  
Visit [www.yummyfruit.co.nz](http://www.yummyfruit.co.nz) to print more Cut-Out Collection Sheets.  
  
One tree of harvested apples can fill twenty boxes.

**7**  
Grafting and budding are the methods used to propagate apples.

**8**  
Pomology is the science of apples.

**9**  
Fresh apples float in water because 25% of their volume is air!

**10**  
Ten cut-out labels from Yummy apple bags equals one hundred stickers...  
Awesome work!
